A health tracking tool we recommend — exclusive access from [CLINIC/PHARMACY NAME]

EMAIL BODY

Dear [Patient First Name],

As your care team at [CLINIC/PHARMACY NAME], we want to make sure you have every tool available to support your health journey.

We have partnered with GritLeanPulse — a comprehensive health tracking app that covers nutrition, GLP-1 medication tracking, lab biomarkers, women's and men's health, fitness, mental wellness, and more. It's personalized to your goals and powered by AI coaching on every screen.

What you can track with GritLeanPulse:

- Food, macros, and nutrition — with barcode scanner, AI food scanner, and 8M+ foods
- GLP-1 injections, titration schedules, medication levels, and side effects
- 120 lab biomarkers with longevity-optimized ranges
- Women's and men's health — hormones, fertility, menopause, testosterone, and more
- 86 condition-specific nutrition guides
- Fitness, body measurements, sleep, HRV, and Apple Watch integration

Getting started takes less than 5 minutes.
